BABOR

Discover the secret of highly concentrated active ingredients and visible results with our beauty expert BABOR!

Why did we choose BABOR?

The family business was founded over 60 years ago by the chemist Michael Babor. Headquarter, development and production site are based in Aachen/Germany.

BABOR wants you to get skin of maximum beauty. For more self-confidence, more joy of life.

BABOR is a scientific authority for innovative skin care and preservation of beauty.

BABOR's scientific teams and cooperation with renowned universities and other leading scientific institutions ensure groundbreaking research results and performance at the highest level.

● SkinFusor – Babor Devices Innovation

The SkinFusor combines four fusion technologies that build on each to create a deeply effective facial treatment for all skin types. Four steps to perfectly moisturised skin. Highlight: Your skin is immediately red-carpet ready and needs no regeneration time after the treatment!

For face, neck & décolleté.

Skin Fusor steps:

- Deep cleansing
- Deep refinement + clarification
- Intense supply of active ingredients
- Impulse massage
- Active ingredient mask

Approx. 90 min. **199,00 €**

(At Lindner Hotel Boltenhagen available from 2025)

● Derma Visualizer – Computer based skin analysis

High-tech skin analysis with 80x zoom camera. By knowing your skin in detail you can optimally care and protect it.

We analyse your current skin condition in detail in order to find the perfectly tailored care to your needs. We recommend to have your skin checked regularly to unfold your full beauty potential.

The BABOR TECH Derma Visualizer shows what your skin really looks like. With a high-resolution high-tech camera with 80x zoom it enables highly magnified images for precise skin analyses.

The following parameters are analysed:

- Number & depth of wrinkles
- Fat content of skin & activity of sebaceous glands
- Size of the pores & evenness of the skin
- Number & size of pigment spots
- Moisture & sensitivity of the skin

Approx. 30 min. **49,00 €**

We recommend to cleanse your skin 30 min. before the treatment and do not use any moisturiser.
